BOOK SYNOPSIS

Explore the Far East from the comfort of home through the cuisines of ten Asian countries, paired with movies by some of Asia's most visionary filmmakers. With Asian food and film blogger Celeste Heiter as your guide, and Chopstick Cinema as your culinary and cinematic passport, savor the delicacy of Vietnamese Crab-Filled Summer Rolls as you inhale the intoxicating Scent of Green Papaya; relive the bone-chilling saga of a haunted village over a steaming dish of Pad Thai; spend a contemplative evening on a serene lake in a floating Buddhist temple as you nibble on Korean Kim Bap and Mandu Dumplings; feast on Samosas and Chicken Vindaloo while cheering a rag-tag team of Indian locals in a cricket match against the British raj; or spend a summer in rural Cambodia to learn the true meaning of a simple bowl of rice. Based on her belief that anyone with basic cooking skills can prepare an authentic Asian meal using ingredients that are readily available at almost any well-stocked food market, Celeste has selected her favorite Asian dishes from among the hundreds of recipes featured on her Chopstick Cinema blog. The menu for each country is a collection of ten dishes: nibbles, cold and hot appetizers, soup, salad, noodles, main course, two side dishes, and dessert, along with a shopping guide and online sources for hard-to-find ingredients; followed by a review of Celeste's favorite film from each country, and recommendations for several alternate films. With a pair of chopsticks in one hand, and your remote control in the other, satisfy your appetite for Asian food and adventure that's sure to be as memorable as the real thing.

CHOPSTICK CINEMA EXPLORING ASIAN FOOD AND FILM - Are you looking for Ebook Chopstick Cinema Exploring Asian Food And Film?
