BOOK SYNOPSIS

Barbara Williamson proved the validity of one aspect of Sandstone that women in their 30s, 40s and 50s can be as alluring and sexually attractive as a twenty-year-old Bunny or Pet. -Robert Rimmer Author Barbara Williamson shares her story for the first time ever as cofounder of the highly successful and controversial Sandstone Retreat in the late 1960s and early 1970s. SANDSTONE Retreat quickly became outrageously popular with membership reaching five hundred, and numerous newspapers, magazines, books, movies, and television shows clamoring for interviews. SANDSTONE Retreat became known as the hub of the sexual revolution. John was branded as +The Messiah of Sex+ and I as the most liberated woman in America. Based on mutual trust and friendship, the bond between John and me grew so strong that we were inseparable for forty-seven years until his death. University professors nationwide rushed to visit this new kind of unstructured free love community to view and study members joyously living an alternate lifestyle. The dress code was optional but most everyone preferred nudity. Our goal at Sandstone was understanding society and setting it free. We believe in the sexual self as being at the core of organized social behavior. When sexuality is distorted, it leads to a distortion of the basic self. Upon my retirement we settled in Fallon, Nevada, and responded to an urgent call to save the lives of lions and tigers facing homelessness and euthanasia. Within thirty days, a permanent home was built for them. Now, we must learn how to feed and care for them. This book offers insight into their personalities. It may shock you to know how much alike we are with these magical creatures on the brink of extinction.
