BOOK SYNOPSIS

Filled with comprehensive, balanced coverage of classic and contemporary research, relevant examples, and engaging applications, Weiten and Lloyds text shows students how psychology helps them understand themselves and the world, and uses psychological principles to illuminate the variety of opportunities they have in their lives and their future careers. While professors cite this best-selling book for its academic credibility and the authors ability to stay current with hot topics, students say its one text they just dont want to stop reading. Students and instructors alike find the text and associated workbook to be a highly readable, engaging, visually appealing package that provides a wealth of material they can put to use every day. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
