BOOK SYNOPSIS

For the first time in history, a Pleiadian group has invited a human couple to join an interplanetary team to assist in human evolution. Laarkmaa is a loving group of Pleiadians who are dedicated to the evolution of humanity. Cullen Baird Smith and Pia Smith Orleane, acting as Ambassadors to the Pleiadians, bring Laarkmaa's inspiring and heartwarming messages of hope, love, and peace to all who are willing to listen. Smith and Orleane share Laarkmaa's wisdom from public gatherings and recorded conversations about the illusion of time, the future of technology, our innate ability to heal ourselves, and information about who is here to guide us through these auspicious times. These conversations bring revelatory insights about human emotions, telepathic communication, and our own divinity. The Pleiadians tell us that we have a choice in changing the course of our own evolution. Will we make the right choice? "A riveting journey into the depths of the human soul with an encouraging message that there is still hope for humans, if we choose to act wisely and listen to the voice of love." Cheryl Fracasso, Association for Humanistic Psychology "This is one of the most thought provoking books I've read in years. It presents powerful insights and observations of our situation on earth, and practical information about how to move toward a brighter future for humanity. I can't wait to see what's in their next book." Kent Noonan, President, En-Lightened Science for Conscious Living "This is a remarkable account of what some psychologists call an exceptional human experience. The messages are articulate, provocative, and hopeful. Readers may agree or disagree with the authors' perspective, but they will never get bored while reading this book." Stanley Krippner, Ph.D., Author, *Mysterious Minds: The Neurobiology of Psychics, Mediums, and Other Extraordinary People*
