BOOK SYNOPSIS

Isaiah Berlin was one of the leading thinkers of the century, and one of the finest writers. The Proper Study Of Mankind selects some of the best of his essays. The full (and enormous) range of his work is represented here, from the exposition of his most distinctive doctrine - pluralism - to studies of Machiavelli, Tolstoy, Churchill and Roosevelt. In these pages he encapsulates the principal movements that characterise the modern age: romanticism, historicism, Fascism, relativism, irrationalism and nationalism. His ideas are always tied to the people who conceived them, so that abstractions are brought alive. His insights both illuminate the past and offer a key to the burning issues of the today.

THE PROPER STUDY OF MANKIND AN ANTHOLOGY OF ESSAYS - Are you looking for Ebook The Proper Study Of Mankind An Anthology Of Essays? You will be glad to know that right now The Proper Study Of Mankind An Anthology Of Essays is available on our online library.
