BOOK SYNOPSIS

Written during a train trip in the late 1940s, *The Pursuit of God* shows how God pursues humans to draw them into a relationship with Himself, while humans thirst after the things of God - though they attempt to fill this thirst with things other than worship of their Creator. Tozer explores different aspects of this desire within the human heart, calling readers to examine what they believe and put aside preconceived ideas that disrupt this relationship with God. It is a solemn thing, he writes, to see Gods children starving while actually seated at the Fathers table. This book is a modest attempt to aid Gods hungry children so to find Him.
