BOOK SYNOPSIS

EGYPTIAN YOGA II: The Supreme Wisdom of Enlightenment and the Mysteries of Amun Religion by Dr. Muata Ashby In this long awaited sequel to Egyptian Yoga: The Philosophy of Enlightenment you will take a fascinating and enlightening journey back in time and discover the teachings which constituted the epitome of Ancient Egyptian spiritual wisdom. What are the disciplines which lead to the fulfillment of all desires? Delve into the three states of consciousness (waking, dream and deep sleep) and the fourth state which transcends them all, Neberdjer, "The Absolute." These teachings of the Ancient Egyptian city of Waset (Thebes) were the crowning achievement of the Sages of Ancient Egypt and culminated in Amun Religion based on the God Amun and his company of gods and goddesses which represent special mystical teachings that lead the practitioner to spiritual enlightenment. They establish the standard mystical keys for understanding the profound mystical symbolism of the Triad of human consciousness.
