BOOK SYNOPSIS

Urology In-Service and Board Review - The Essential and Concise Study Guide is designed to help improve urology residents in-service scores and to provide a concise review for busy urologists who plan to take the board examinations. The authors expertly condense the essential urological concepts into a single, reliable reference source. Every aspect of this study guide was designed to achieve rapid results in the shortest amount of time. Most material is presented in a bullet point format so that the reader can gather high-yield information without being bogged down by minutiae. Bold and italicized text draws attention to important topics, while "High-Yield Boxes" highlight vital information. 100+ tables and figures condense complex information to improve memory recall during actual testing situations. Complex disease treatment algorithms, such as testicular and prostate cancer, are included.
